

## City of Tempe Adult Baseball Program Spring 2005

Due to the new agreement with the Anaheim Angels the City of Tempe Parks and Recreation will not be having an adult spring baseball season. The complex will be under construction and in the process of adding four new baseball fields that may eventually allow us to expand our league.

If you were planning on putting a team together for this season we would however like you to contact myself so that I may put you on the preferred mailing list and we may contact you as soon as the construction has been completed.
